

ABRASPUNGO  
HOTEL  
HACIENDA  
BAR RESTAURANT

At 2,754 meters above sea level and surrounded by the magnificence of the Ecuadorian Andes, you'll find Hacienda Abraspungo. This hacienda takes its name from the glacial valley nestled between Chimborazo and Carihuairazo, right in the heart of Ecuador.

# Architectural Style

---

The architectural style of Hacienda Abraspungo is a fusion of traditional colonial style and modern requirements. It beautifully recreates the landscape of the Ecuadorian highlands in every space.

## Cosy Rustic Rooms

Hacienda Abraspungo offers 45 comfortable and cozy rooms, each uniquely named after an Ecuadorian mountain. Furnished and equipped to meet the needs of every guest, these rooms provide the perfect place to rest. All rooms feature direct access to magnificent gardens.

## Events

At Abraspungo, we set the standard for exceptional events, meticulously crafting each moment to perfection. Our commitment to the finest details ensures that every guest enjoys an unforgettable experience, defined by elegance and care.

## Relax & Activities

Enjoy a romantic dinner, an exciting horse riding or a relaxing massage.  
Create unforgettable family moments amidst the stunning beauty of Chimborazo.

## Restaurant

Abraspungo's Novoandina cuisine is a culinary style developed by gastronomes to revive traditional food customs. It emphasizes the use of native ingredients such as quinoa, corn, chochos, beans, and others, which are cultivated using ancestral techniques. These ingredients supply local markets and inspire Abraspungo's chefs to create exceptional dishes, blending gourmet culinary techniques with authentic local flavours.

## Bar

Abraspungo's Restaurant and bar are adorned with antiques and picturesque elements from the Andean region, blending seamlessly with the warmth of the fireplace to create a cosy and inviting atmosphere. Here, you can enjoy a curated selection of cocktails, wines, and spirits, enhancing your experience and making your visit to Abraspungo truly memorable.
