

KAPAWI
ECOLODGE
& RESERVE

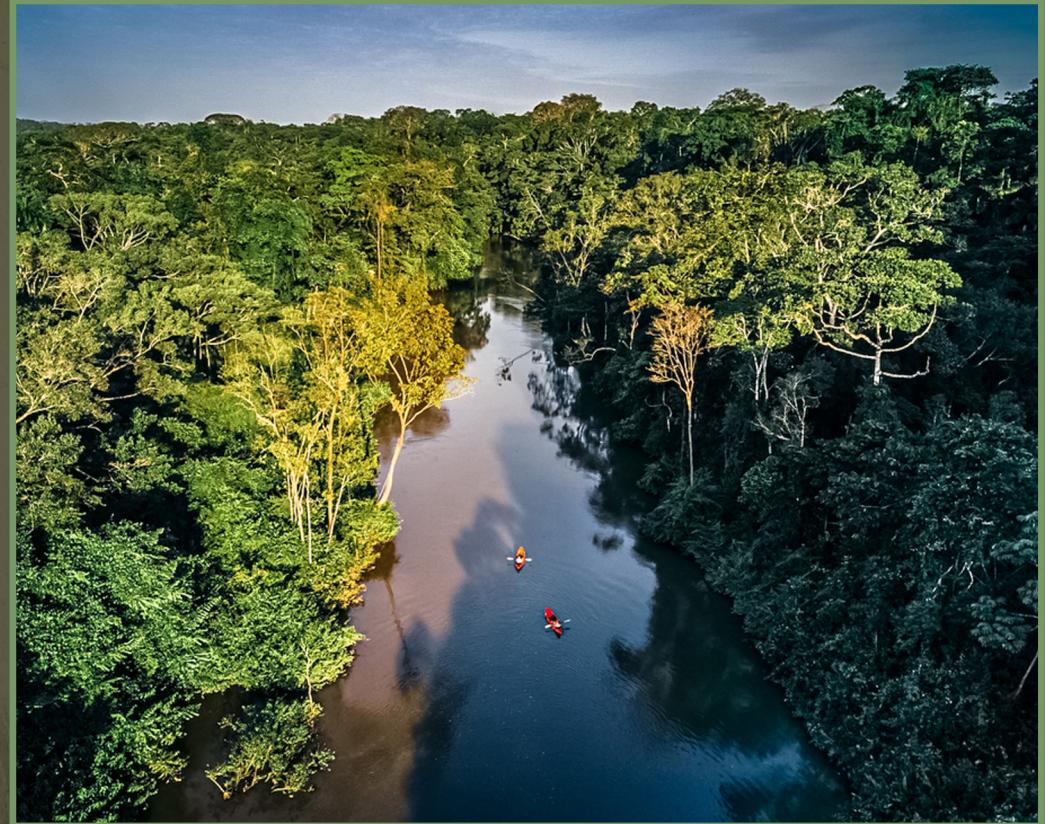

Award-winning Kapawi Eco lodge is an indigenous community ecotourism enterprise in the Amazon Rainforest of Ecuador that offers a conscious and responsible travelled opportunity to engage in authentic cultural experiences, in an unspoiled rainforest setting, in the Achuar people Amazon basin territory. Out in front of the lodge is the wetland sanctuary, where early in the morning you will hear kamen, horned screamer, insects, toads and hundreds of different bird species that have established their home here sing to the sunrise. Have a potter on the doc and listen and learn about the life eco-systemall around Kapawi.

Achuar Territory

Experience the ancient Achuar culture, and immerse yourself in their traditions, and spend time in nature.

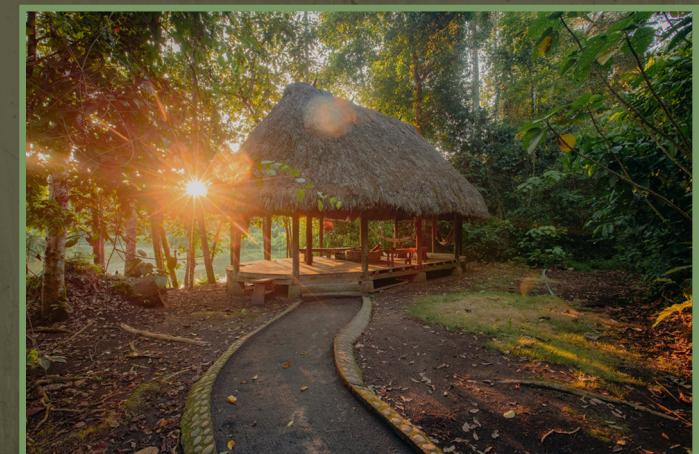

Bungalows

We welcome guests into each of our handcrafted bungalows, furnished with expert craftsmanship and woodwork. All buildings at Kapawi are designed with traditional Achuar architecture and built by the local community. They are either double cabins (2 beds) or triple suits (3 beds).

The Gathering Hut

This is our communal area for family-style dinners, happy hour, breakfast, and lounging after a day of adventure, reading, a meeting place pre-adventure, plus group adventure planning and more.

Wellness

Kapawi Eco Lodge offers a wellness experience that promotes self-awareness and connection with nature. The Amazon Rainforest's biodiversity provides restoration and relaxation, helping guests disconnect from daily stress. The lodge's design and wellness programs focus on fostering a healthy and fulfilling lifestyle through mindful growth and change.

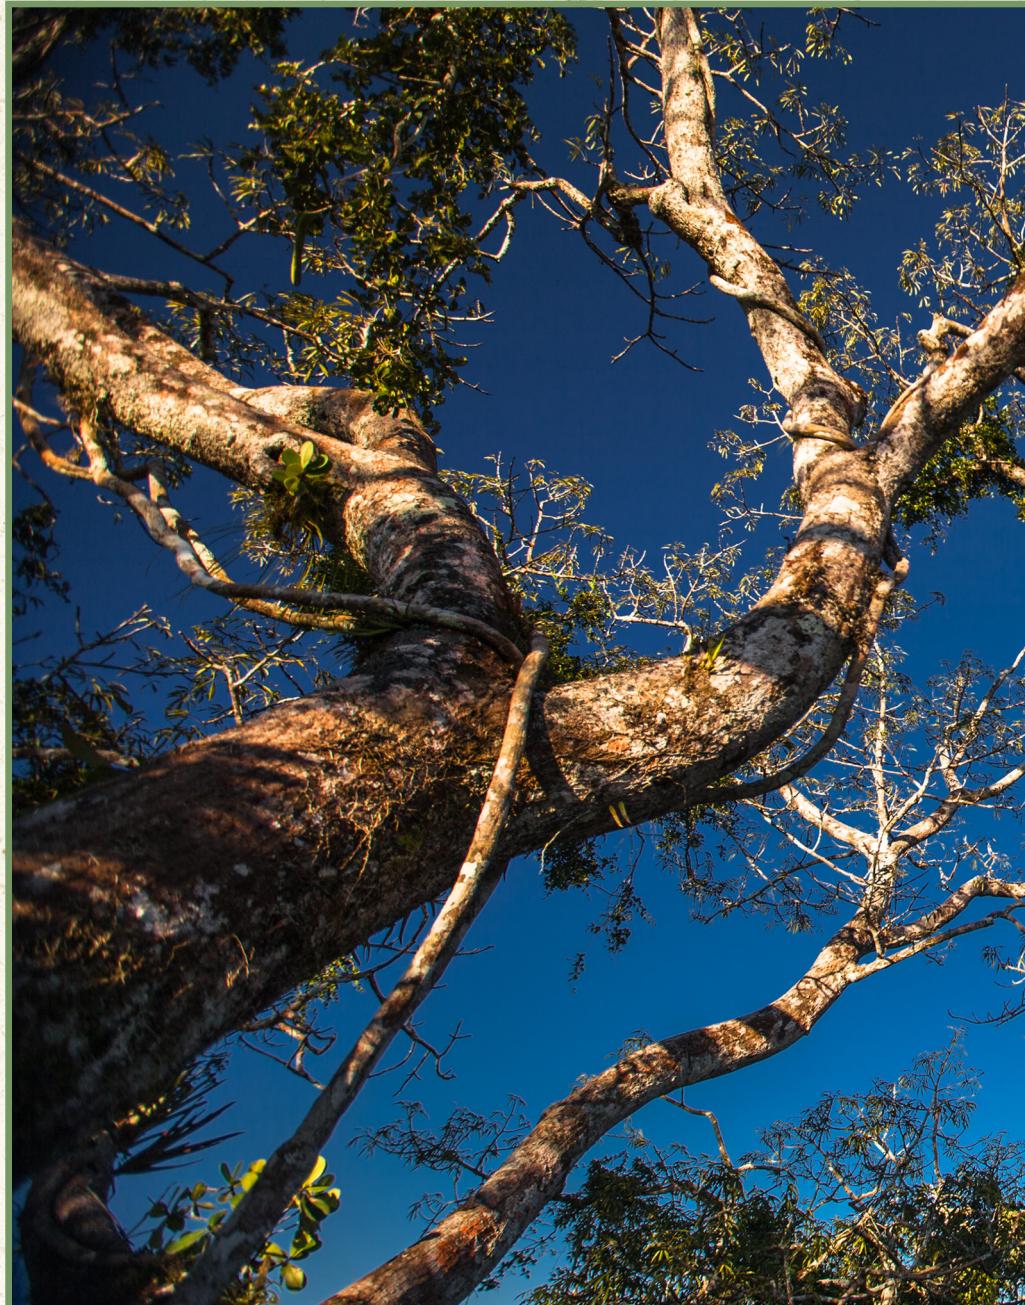

Our Trips

Explore the Amazon at your own pace with our 3, 4, or 7-nights tours at Kapawi Ecolodge. Enjoy a variety of activities such as nature hikes, river adventures, wildlife spotting, and cultural experiences with the Achuar community.

We customize itineraries for solo travelers, couples, families, and small groups.
